

Paid Participants Needed

For a study investigating social behaviors and social judgements. You will have conversations with a friend of your choice and answer some questionnaires, as well as play some computer games while your brain activity is recorded.

If you are interested, scan this code to answer some questions and we will contact you

**EARN UP TO
\$70 FOR
PARTICIPATION**

WHO DO WE NEED?

- Participants between ages 10-17
- A close friend of their choice within 3 years of age
