

Calling UTeach Biology majors

Come Join the Hajeri Lab as an Intern

- Learn the value of zebrafish in biomedical research and K-12 education.
- Train with zebrafish husbandry
- Collaborate with local in-service teachers and assist in providing professional development
- Earn research credit
- Create zebrafish lessons, methods and apparatus that translate to the K-12 classrooms
- Engage with scientists at UT Arlington and UT Southwestern.
- Participate in outreach activities

If interested contact Dr. Vinita Hajeri
