

What is Camp CHAT?

Camp CHAT is a weekend retreat for teens with hearing loss and their families. Campers will engage in communication activities using the latest digital wireless microphones and technology. Depending on the camp location, campers will also have the opportunity to participate in challenge games, putt putt golf, team building, horse back riding, new friendships, crafts, hammock relaxing and campfire excitement. Camp is conducted by a licensed audiologist with support of the graduate student clinicians.

Teens: Teens just like you who want to have a fun day meeting new friends and a fun opportunity to try wireless technology!

Siblings: Brothers and sisters ages 5+ will have just as much fun with their own special activities.

Parents: You will be amazed at what your child can do!
At least one parent must attend.

Coaches: UT Dallas audiology graduate students will host a high-energy weekend of fun and will guide and facilitate discussions.

When:

April 11-14, 2024

Friday at 4:00 p.m. - Sunday at 11:00 a.m.

Callier Center for Communication Disorders

The Callier Center for Communication Disorders helps people communicate throughout their lives — to hear and be heard, to understand and be understood. For more than 60 years, we have provided treatment, training and research to help people of all ages hear, speak and connect with others.
