

“Sherlock Karadi (Bear)” &

the Music Perception and Cognition (MPaC) Lab

are seeking participants with no music training to participate in a study designed to stimulate your senses and engage your mind!

This study involves voluntary participation.

Come listen to excerpts from the ancient South Indian classical tradition!

Time: ~ 1 hour

Location: MPaC Lab @ UT Dallas, GR 4.808

Website: <http://www.utdallas.edu/research/mpac>
