Quick overview of your schedule

Fall, 2019

SPAU 3343

HOMEWORK

Homework is:

- completed on e-learning
- available a week before it's due on e-learning
- posted after class (Tues) at noon
- due the next week at start of class Tuesday morning

LEARNING MODULES

Learning modules are:

- available at the website, *not* on e-learning
- turned in class as hard copies
- due when class starts every Thurs morning
- will be returned at the start of lab the following Thursday

At least 90% of the LMs should be answered to receive extra credit!

LEARNING MODULES- EXTRA CREDIT

You need to complete Learning Modules 1,2,3,4 and 5 to get extra credit for Midterms.

Completing 4 (or less) of them = 0 credit

You need to complete Learning Modules 6,7,8,9 and 10 so as to get extra credit for Finals.

Completing 4 (or less) of them = 0 credit

If you don't complete the first 5 for Midterms, this won't affect Finals. You can still do the other 5 and get the credits.

QUIZZES

Quizzes are:

- completed during the Lab, like quick tests
- checked and given back to you a week later

Week 3

- **9/5/2019: LM 1** due in class (hard copy of your answers)
